BSE, TSE, Animal Free, Alcohol Free Statement
Aloe macroclada dry powder - Alomac®

This is to certify that the product listed above are produced entirely from materials of plant origin and therefore are free from human or any other animal derived materials including bovine products. In addition, there are no animal derived components used in the manufacturing or handling processes of this product. As such, this material can be declared free of Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

Based on our intimate knowledge of Aloe macroclada, and the knowledge of our process, we believe our Alomac (Aloe macroclada powder) does not contain any ingredients of animal origin in any form, including oils, fats and gelatins.

No types of alcohol are used in handling, processing or for cleaning equipment or surfaces.

Signed on behalf of Mioty Voajanahary sarl:

John W. James
Owner, General Manager
